Hanoi Re 

About Us

Hanoi Re (formerly known as PVI Re) was established in July 2011 with the mission of becoming a professional and international-branded reinsurer.

Hanoi Re became the first Vietnamese reinsurer which was rated B+ by A.M.Best in 2012 and has been upgraded to B++ since 2019.

Hanoi Re is a member of HDI Global - the leading German insurance company with branches, subsidiaries and affiliates in more than 175 countries around the world.

Our business activities are mainly concentrated in Asia region.

We have in-house experts with in-depth experience in Risk Solution.

Our Services

Besides the core business of providing reinsurance capacity, our extensive knowledge and expertise allows us to provide risk solutions, including:

- Risk engineering survey
- Claim handling consultancy (Appoint loss adjuster, Claim dispute, Claim settlement management)
- Loss prevention and management
- Loss recovery consultancy
- Insurance program consultancy (Insurance tendering services, Insurance quotation.)
- Reinsurance/Insurance training
- Reinsurance in-depth information
- Insurance IT solution consultancy
